Prepared by Scott Fitzgerald, Principal

Minutes

Principal Fitzgerald shared an update on student enrollment trends over the last 5 years. He stated that the purpose of the presentation was to discuss enrollment and considerations moving forward. Mr. Fitzgerald went over enrollment totals over the last 5 years which showed growth of 80 students to the total enrollment. He added that the 2020-2021 enrollment would have been slightly higher but due to the

COVID pandemic and distance learning several families opted to find alternative virtual learning options. Mr. Fitzgerald stated that over the last 5 years LGA has seen a decrease in enrollment of 22 students. He said that this decrease is attributed to Bannon Creek, Jefferson and American Lakes moving from a K5 to K8 and students opting to stay at their home school. Principal Fitzgerald shared that over the last 5 years we've seen an increase of 25 students in 9th grade class. Principal Fitzgerald shared that LGA has added 2.5 full time teaching positions since the 2016-2017 school year. He added that increased enrollment and staffing has created more courses and sections. He stated that in our 2020-2021 master schedule we have three periods during the day where we are at capacity, meaning we have no open or available rooms. Principal Fitzgerald said that as housing developments and movement into the area continue to grow, enrollment caps and facility constraints should be revisited.
