JOB DESCRIPTION

Title: College & Career Coordinator

Reports to: Principal or Designee

Salary Grade: LGA College/Career/Counseling Salary Schedule **Classification:** Secondary School Levels

FLSA: Exempt

Work Year: 200 Days

Council Ratified:

OVERALL OBJECTIVE AND SUMMARY

The College and Career Coordinator is responsible for implementing strategies that prepare LGA students for post-secondary opportunities. Among the responsibilities is to provide direct service to every high school student using a set of curricular and enrichment strategies delivered through the domains of awareness, readiness, access and success to promote long-term preparation for post-secondary transition. Each domain is designed to promote preparation for postsecondary transition and ensure the schools meet their short and long-term outcome measures. The College and Career Coordinator has the overall responsibility of coordinating the college and career preparation strategies and activities within his or her designated site and in collaboration with site counselors. Chief among the responsibilities is to provide direct services to high schools to advance a college-going culture.

ESSENTIAL DUTIES AND RESPONSIBILITIES

Essential responsibilities and duties may include, but are not limited to, the following:

- Promote a College going culture with postsecondary aspirations for all LGA students
- Develop partnerships with Universities and career institutions to build pathways to postsecondary options
- Coordinate information and services with the other College and Career Coordination Specialists in NUSD and at benchmark high schools and colleges/universities
- Participate in ongoing integrated support strategies using the American School Counselors (ASCA) implementation plan
- Participate in scheduled planning sessions to develop key tools and strategies that promote college and career work
- Collaborate with post-secondary education officials to build partnerships that support matriculation of students to public and private universities and post-secondary institutions; assist students with the post secondary application process; maintain a database of application access and acceptance results; performs follow-up research on former LGA students attending postsecondary schools. Provide students with institutional information about college application policies and procedures
- Develop, organize and implement workshops that focus on ACT/SAT or similar test preparation; maintain a database of access. Assists students to qualify and apply to college through SAT and ACT preparation, and assisting with college applications and financial aid applications, assist with proctoring of assessments
- In partnership with School Counselors, conduct ongoing college access workshops for all grade levels that advise students and parents about college and career opportunities (Example: NCAA)
- Coordinate job shadow, career speaker and career service events that promote college and career preparation
- Collaboratively organize college and career fairs
- Organize and conduct college tours for 6-12 grade levels; assist with the planning of cultural events and activities; prepare program information
- Conducts structured field trips for LGA students to transfer institutions as identified by the site principal

- Conduct workshops that inform and prepare students and parents in grades 6-12 for the Free Application for Federal Student Aid (FAFSA); assist students with the financial aid application process and scholarship applications; maintain a database of support. Assist with the administration of a Financial Literacy Program. Provide students with institutional information about financial aid
- Support the recruitment of students for Career and Technical Education (CTE), CTE internships and support employment opportunities. Coordinate with CTE teachers and counselors to ensure that students complete soft-skills requirements necessary to meeting work ready criteria
- Assist students with completion of sample job applications; review applications to ensure proper completion; discuss interviewing techniques, proper attire, and phone manners; conduct mock interviews, evaluate results and advise students of needed improvements to assist students to demonstrate the character and competencies for workplace success, monitor and issue work permits
- Steer students toward workshops that focus on writing, time management, skill-building and study skills
- Maintain confidential records and provide counselor and student information on each assigned student for required database
- Provide progress reports, data reports, and provide information for other college and federal reports, as needed
- Continue professional development and remain current in the field through coursework, conferences, workshops, and other appropriate means.
- Establish productive relationships to ensure common understanding of College Admissions and LGA postsecondary objectives and drive efforts to achieve shared goals at assigned site and across NUSD. Meet regularly with school administration, and postsecondary leaders to mark progress towards goals and develop strategies to improve outcomes
- Serve as a lead postsecondary advisor to principal and District leaders
- Collect and analyze data as needed to guide program direction and emphasis
- Ensure LGA college and career goals and objectives are known and understood by key stakeholders (e.g., students, parents, counselors, college partners, certificated staff, classified staff)
- Promote the importance of having a College and Career Coordinator in the school building.
- Support counselors and coaches in developing and implementing strategies to identify and support student needs; Provide targeted coaching and development around key areas of need
- Build outside partnerships and identify resources that can assist in the attainment of quality college and career opportunities
- Link resources to schools based on needs assessment
- Direct Support of College Access/Persistence Activities with Students and Parents; Directly support school-level college preparation activities as needed
- Guide school-level staff to meet with students – individually and in groups – to talk about college and career options
- Maintain information on institutions that offer “strategic” scholarships
- Ensure the school is tracking key metrics
- Support efforts to ensure smooth senior transition into college and college persistence beyond the first year (e.g., summer workshops, freshman year of college data tracking and touch points, etc.)
- Provide direct school support to complete the Senior Survey
- Lead parent engagement efforts around postsecondary access and persistence
- Train coaches, students and other school staff (including administrators, teachers, and counselors) on district programs and systems
- Work with counseling teams to maintain strong counselor, coordination specialist and postsecondary team integration in the schools
- Work with counseling teams to develop counseling Implementation plans aligned to school and
