Dear LGA 11th Grade Families,

I am excited that you will be participating in our **ACT prep course** that begins this Saturday in the LGA Center for Innovation (CFI). LGA is excited to offer this course free of charge to our 11th grade students! Sessions will be held on the following Saturdays: 12/2, 12/9, 12/16, 1/6, 1/13, 1/20, 1/27 & 2/3.

During the eight sessions a representative from Kaplan will prepare students to perform at a high level on the ACT. Research has shown that students who take a Kaplan ACT prep course improve their ACT scores and oftentimes outperform their peers on the ACT. All LGA 11th graders will take the ACT at LGA on Tuesday February 27th at 8am for free.

Breakfast will be served beginning at 8:30am. The course will last from 9-12:00 pm. A carry out lunch will be provided. Please ensure that students are promptly picked up at 12:00 pm in front of the school. If your student needs to miss one session, they must make prior arrangements with Ms. Lee. We strongly encourage students to attend all 8 sessions to ensure the desired results.

If you have questions or need additional information please email Natalie Amaro namaro@natomasunified.org or Mailee Lee at mlee@natomasunified.org or call 567-5560.

We look forward to preparing your student to perform at a high level on the ACT preparing them to gain enrollment to the college or university of their choice!

Sincerely,

Leslie Sargent
Principal
