**Recommended Motion:**

The council is asked to approve a "Declaration of Need for Fully Qualified Educators". This item meets the requirements of Education Code 44300(a)(3)(B) and the California Commission on Teacher Credentialing.

**Rationale:**

Districts/Charters are required to annually submit a Declaration of Need for Fully Qualified Educators to the Commission on Teacher Credentialing (CTC) based on anticipated areas of need in case they are unable to find fully credentialed teachers that meet their needs. Although the District/Charter is diligent in advertising, recruiting and hiring fully prepared teachers, there may be an instance where we would need to hire someone on an emergency or limited assignment permit in certain subject areas. We will have trained, qualified teachers, but some may need a provisional permit to work in their specific assignment. To qualify for as few as one provisional document from the Commission on Teacher Credentialing, the District/Charter must have attempted all of these search efforts. In order for our teachers to be eligible for provisional or emergency permits in certain authorizations, the Council must adopt a "Declaration of Need for Fully Qualified Educators." The Council and the public must have the opportunity to see the number of emergency permits the Council reasonably expects to request from the California Commission on Teacher Credentialing and the reasons for such requests.

Our anticipated needs at this time are for staff serving in the following areas:

English Learners – We will continue to need emergency CLAD permits for some new hires, particularly out-of-state-trained teachers

Single Subject - Spanish, Math, and Science Single Subject positions continue to be recognized as statewide shortage areas
