# About the 2021-2024 LCAP

## 3 year plan

- Goals, actions, services, and expenditures
- Supports positive student outcomes

The plan tells our story about how, what, & why programs & services are selected to meet our students' needs and district goals

## Components of the LCAP include:

- LCFF Budget Overview for Parents
- Annual Update (LCAP, LCP)
- New 3 Year Plan

# Data Informed the Development of this LCAP

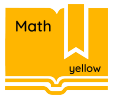

## Some Successes

- 100% graduation rate and high a-g rate (87%)
- Low Chronic Absentee Rate at 4%
- High EL reclassification rate
- High AP pass rate
- Many positive perceptions by students, staff and families in survey responses

## Some Challenges

- Low ELA and Math achievement
- Low College/Career Preparation rate 51% prepared (from 2019)
- High suspension rate at 14% in 2019 and 9% in 2020
- Parent/Family engagement

# Educational Partner Engagement

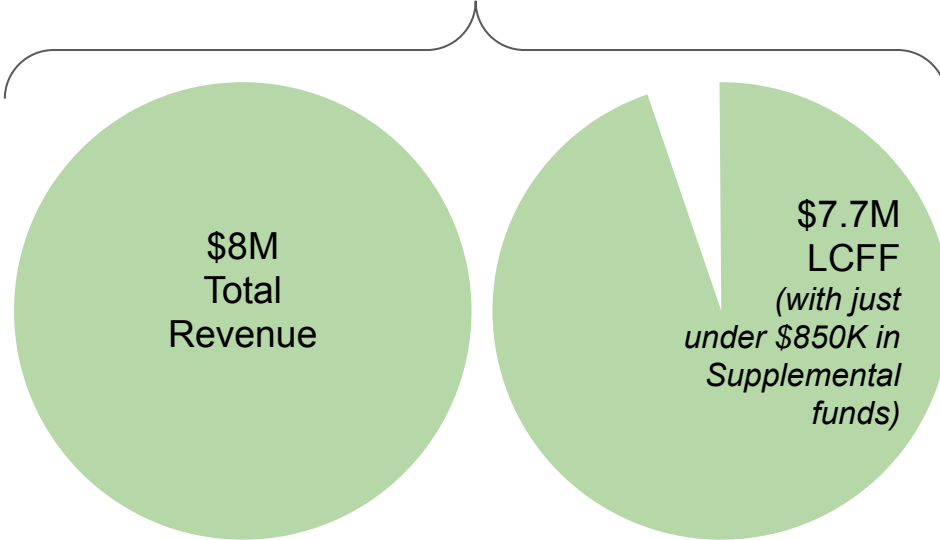

- Significant amount of engagement in 2022-2023 around educational programs, public health, and social emotional supports
- Lower parent/family response rate to 2022 LCAP survey this spring than previous years
- High positive perceptions regarding school climate, educational opportunities, and school safety
- Lower rates of positive perceptions for LGA providing opportunities for students to connect to mentors and volunteer in the community, as well as for providing effective programs to help English Learners and high achieving students
